PETITION TO CORRECT INVENTORSHIP IN A NONPROVISIONAL PATENT
APPLICATION UNDER 37 C.F.R. §1.48(a)

Sir:

The above-identified patent application, now abandoned, was filed on August 3, 2001, incorrectly omitting Kevin Brown as an inventor. The inventorship should properly list Mark Carnall and Kevin Brown as joint inventors in this patent application. Consequently, there was an error in naming the inventors in the non-provisional patent application, as filed. The error arose without any deceptive intent on the part of any of the inventors.

I hereby certify that this correspondence is being electronically submitted to the United States Patent and Trademark Office on the date below.
